FROM THE GENERAL MANAGER

The 2017 Strategic Plan is in the very final stages of editing. As I have mentioned to many of you, it is a complex plan that generated significant review and discussion both at the Board and committee level. No matter what exact form it ultimately takes, I can’t envision it not including strategic initiatives in the areas of member dining, the clubhouse and immediate surrounds, and the golf course. Last month I wrote about the arrival of our new Food & Beverage Director, Latara Dunn. She has hit the ground running and over time our collective goal is to do whatever we can to improve both the member dining experience and the experience provided to our function guests, whether they be wedding guests or businesses. We recognize that dining is the area that “touches” the most members. Our scope will encompass food, service and, in time, the facilities.

The Club’s Green Committee, which primarily oversees the golf course, has already taken the initial steps of developing a long-range plan for the course. That involved a hole by hole tour of the front nine, with the back to be completed soon. The truly big golf course projects are nearly behind us. Once the second half of the bunker renovation is completed next fall we should be done with big course specific projects for quite some time. However, there will always be projects. Over the next couple of years, I anticipate you will see various drainage projects, some tee leveling/rebuilding, and continued tree work.

As I have said many times, the Clubhouse, along with all its machinery and furnishings, requires constant attention and investment. A long-range plan of sorts in this area will also be undertaken over the winter. This will involve an asset reserve study to accurately determine the level of funding to support and maintain the existing facilities. We have a program in place, and it has served us well for many years. This process will be a bit of a deeper dive into the details to make sure not only that existing records of expected asset life and replacement cost are accurate, but that they are complete.

It should be an exciting few years ahead as we continue to improve the Club and work our way toward the maturity of our primary debt in early 2022.

Until next month, we will see you around the Club,

Bill Robinson, CCM

MESSAGE FROM MEMBERSHIP

It’s hard to believe the holiday season is almost upon us. We’re kicking the season off with some laughs at our Woodlands Club Comedy Night on November 18th.

GINGERBREAD DECORATING RESERVATION DETAILS

Due to the popularity of this event, this will be a members-only event and each member can only make a reservation for their own family.

Please provide the total number of adults and children in your party, the number of houses you would like to purchase and whether you will be dining at the Club on your decorating day. The Club will contact you at a later time to confirm your dining reservation. The Family Dining Room, Fireside Room and the Lounge will all be open for family seating during these days to accommodate everyone.

Space is limited at each house decorating seating, and a waitlist will be established as sessions fill. Members on the waitlist will be contacted in the order they were placed on the list, as seats become available. If we don’t receive a response within 24 hours, we will contact the next member on the list.

Once a gingerbread order is made, it cannot be cancelled. If you cannot attend your seating, (illness, conflict) please make arrangements to have your gingerbread kit packaged to take home and decorate at your leisure.

You are encouraged to eat prior to decorating, so that the candy ends up on the house and no one ends up with an upset tummy. *Woodlands Dining reservations are required for all decorators who choose to partake in a meal at the Club before or after decorating on Sunday (regular menu), Tuesday (buffet and limited menu) or Wednesday (buffet and limited menu).

Menu to follow online.

Tuesday and Wednesday Buffet Dinner Pricing:
Adults: $16.50++ | Children: $10.50++

7TH ANNUAL FAMILY & INDIVIDUAL WINTER SWIM CHALLENGE

November 1 – February 28
Cost: FREE!

Welcome to our 7th Annual Winter Swim Challenge! Once again we will be offering the Family Challenge category and the 100 mile distance as well as maintaining our traditional 20 and 50 Mile challenge format. Starting November 1st and continuing through February, we will be running a FUN 4 month, self recording, distance swim program for the average and slightly above average swimmer. We have selected 20, 50, and 100 Mile swim distances that can be achieved in three to four months depending on distance and level of commitment. You can even miss a week or two and finish on time. If you have never done much swimming but know how to swim, this is a nice way to surprise yourself with how much you can accomplish. The other benefit is that when mid-February comes, you’ll be all ready for that warm winter vacation.

The distance challenge is all about achieving the distance so you can swim any stroke, use fins or even just kick or pull to achieve your goal. It doesn’t matter if you finish first, last, or somewhere in between. All finishes are equally important! Along the way, fun little prizes will be awarded to those who meet their monthly targets. The aquatics staff will support you, so give us guidance about what you’d like… maybe some fun sets, maybe some technique drills… maybe just be left alone. Registrants who complete the challenge will receive prizes.

Register by phone (781-3104 ext. 112) or via e-mail to bstreeter@thewoodlands.org

FAMILY 20, 50, or 100 MILE Swim Challenge
All family members compile their distances to contribute to the total. Husbands and wives make a great team too! Encourage other families to join your family in the swim challenge.

20 MILE Swim Challenge (35,200 yards total)
This is a Pro-Active Winter/Holiday swim challenge for the average swimmer. Swim 108 lengths of the pool each week (2,700 yards/week) and rack up 6 miles/month. Chose your schedule distance. For example: 3 times/week = 36 lengths each visit, 2 times = 54, 1 = 108 OR you can swim more some weeks than others.

50 MILE Swim Challenge (88,000 yards total)
For the more experienced swimmer. Swim 6,300 yards per week.

100 MILE Swim Challenge (176,000 yards total)
For the smore experienced swimmer. Swim 12,600 yards per week.

Menu to follow online.

Tuesday and Wednesday Buffet Dinner Pricing:
Adults: $16.50++ | Children: $10.50++
Recreational Swim Team

October 30– December 14
Mondays 4:15PM - 5:15PM and/or
Thursdays 5:00PM - 6:00PM
Cost: $120

Prerequisite: Pass The Woodlands Club Level 4 swimming or Age 10 with Aquatics Staff approval.

Swimmers participate in swim workouts, improve competitive skills and stroke technique in preparation for middle school and/or high school swim team.

The Woodlands swimmers and their parents have elected a recreational approach to swim team. At The Woodlands, we try to accommodate our member’s need for flexibility. This recreational team focuses on skills for the school competitive swimmer, as well as fun and fitness and we allow swimmers to participate as little as once a week at a level of commitment that fits their needs. There are no meets with this program.

Please call Sheilla to register, or with any questions, at 781-3104 ext. 116. If this class does not fit your schedule, contact Beth or Sheilla.

If you haven’t tried the golf simulator yet, it is really great! It calculates launch angle, distance, club and ball speed and spin rates while providing instant feedback. It doubles as one of the most precise club fitting tools available today.

When taking Golf lessons in the simulator you will be able to see not just the specifics mentioned above but the path of your swing as well. It's so much easier to improve with tangible feedback.

It’s hard to believe you can play Pebble Beach without leaving Maine. The simulator is very easy to use and is incredibly accurate. The practice range feature offers a ton of useful feedback and provides easy to read graphics. As an alternative, the indoor practice net will remain available and is located along with the simulator in the bag storage room (off the fitness entry alcove). You may enter through the door located in the fitness alcove during normal club hours. Just follow the signs.

Both the net and simulator are available on a first come-first served basis. There are no “tee times” for the net. Reserve the simulator by going to the golf page on the club’s website and follow the directions. It’s easy.

You must bring your own golf clubs or make arrangements to borrow clubs from the golf staff in advance.

BE SAFE—LOOK BEFORE YOU SWING—MAKE SURE THE AREA IS CLEAR

Have fun!

Doug Van Wickler, PGA

GOLF POSTURE WORKSHOP
THURSDAY, NOVEMBER 2ND

Our posture is a critical component to our body’s demands on its every day performance. How we maintain our posture can dictate patterns of injury prevention and endurance. In particular, how we feel at the end of the day. The same is true in golf. We want to be able to maintain a fluid, athletic posture as we work through the swing pattern. The less you can sustain a golfer’s posture through your swing, the less successful shots you will have and a greater chance of injury. This workshop focuses on the basic concepts of the golfer’s movement in 4 different movement assessments—from there you will be giving exercises to strengthen and/or stretch those muscle groups that are causing those movement faults.

See online for full workshop details and registration.

EXERCISING ETIQUETTE

Having Gym Shoes - by changing your shoes and not wearing the ones you just wore outside, especially during these winter months, will help the fitness center equipment stay clean and effective.

Banging/Dropping Weights - please refrain from banging and/or dropping the weights in the fitness center. More than the noise that is disruptive to other members’ workouts, it also shortens the life of the equipment considerably.

Picking Up Your Equipment - please remember to return the equipment you use during your workouts to their rightful place, be courteous to your fellow members and keep the fitness center clean and functional.

Guests in The Fitness Center - please remember to always sign your guests in when using the fitness, racquetball and squash facilities. Guests are allowed to visit these facilities 5 times in a calendar year.

SQUASH LESSONS AVAILABLE

If you are interested in brushing-up or learning more on the game of squash, or would like to work on strategy and technique, please contact Josh Griffith at jgriffith@thewoodlands.org for lessons!

Pricing for Squash Lessons are as follows:

FROM THE DIRECTOR OF FITNESS

It’s November and you know what that means. The holiday season is upon us. The snow will be falling soon and holiday parties will keep our schedule packed. We all know that with the Holiday Season comes the stress that we associate with each purchase, each event and each project due by years’ end. What helps to alleviate some of our stress and cope with the rest is to take time for ourselves. Exercise, get a massage, meet with our on-staff nutritionist, play a game of racquetball or try a new class. Take care of yourself because you are the priority. When January hits, we expect to be as busy as ever before. And with January comes those New Year’s Resolutions. Why not start those revolutions early? Make an appointment with the fitness staff and go through an orientation to learn the new equipment and get a program designed for your goals.

Damian
**Committee Briefs**

**Board of Governors:**
October 18 Meeting: September was a good month financially, driven mostly by strong membership numbers and function business. The Finance Committee Chair presented the 2018 committee approved operating and capital budgets to the Board. After some discussion it was agreed to provide a little more time to requesting members to review the budgets in more detail. The latest version of the 2017 Strategic Plan was discussed.

**Aquatics and Fitness Committee:**
October 5 Meeting: Welcome Janet Villiotte, the newest committee member. Membership demographics were discussed in their relationship to revenue, particularly in terms of swimming lessons. High school swimming and paddleboard yoga to begin. Fitness looking to build equipment repairs into 2018 operating budget. Fitness calendar has been updated with Thanksgiving classes to be offered. No classes will be offered during Christmas week.

**Clubhouse Committee:**
No meeting held in October

**Finance Committee:**
October 17 Meeting: Approve minutes of previous meeting. Discussed September’s favorable results noting favorable results in Food & Beverage and continued strong membership levels. The committee reviewed the second draft of the 2018 Operating & Capital Budget. Discussion on various line items of the capital budget ensued. Discussions continued on key areas of the operating budgets, focusing on areas with significant personnel requests. Meeting closed with a brief overview on delinquent accounts. The committee suggested that management present a recommendation for further refinement of the current policy.

**Golf Committee:**
October 17 Meeting: Discussed comment cards with presentations by Handicap, Women’s Planning and Men’s Tournament Committees. Director reported that rounds and tournament participation are on par with or slightly surpassing that of 2016. Committee is looking ahead to next year in terms of tournaments and fees.

**Green Committee:**
October 2 Meeting: Informal meeting, toured the front 9 of the course to obtain data for strategic plan and met with superintendent’s grounds staff.

**HR Committee:**
October 11 Meeting: Approve minutes of previous meeting. Continued discussions on director compensation strategies. Motion to recommend modification of current policy was made. Motion will be presented to the Board of Governors at the November meeting.
