Message from Membership

Thank you to everyone who participated in our first two snowshoe events at the Club. We received lots of positive feedback and if enough interest, other events will be offered. Check out some of the pictures on page 4.

Members asked for and so we will offer a Comedy Night as well as a Casino Night at the Club this year. Please save the dates so that you can enjoy these two fun events. Comedy Night—April 11 (weekend before April vacation) and Casino Night—June 26. Both events for the 21 and over crowd.

Please join me in welcoming Juan and Cristel Palma to The Woodlands Club. At this time I would also like to offer a special welcome back to Barry and Diane Chandler and Valerie Kyros who are returning to the Club from leaves of absence.

I am looking forward to seeing you around the Club,

Mary Anne

From the General Manager

This year’s Annual Meeting will be held at 6:00 on Sunday, March 1, with cocktails and hors d’oeuvres served starting at 5:30. This is always a great opportunity to come out and hear what the Board and each of the Club Committees have spent their time on in the past year, and what they foresee in the year ahead. This year’s meeting promises to be a bit extra special as it will be the first event of any sort in our renovated ballroom. While we won’t have either our new carpeting or chairs in place by that date, we are still excited for you to see the new space. The Annual Meeting also officially marks the end of certain Board terms each year. This year we say goodbye to Christie DeMichael, who in addition to her three-year Board term that will end at the Meeting has also served for years on the Human Resource Committee. Her guidance on a variety of matters has been appreciated by me and many others over the years and she will be missed.

March will, we hope, bring not only the completion of both the ballroom and main lobby renovations, but the promise of the spring and summer seasons ahead. Many of us will be very happy to see grass again! Sometime during the April/May timeframe, Tanto Irrigation will be back for the relatively small task of completing irrigation on the second hole and in the areas immediately adjacent to the Clubhouse. We also have plans to replace the teak furniture on the large patio off of the family dining area. Beyond that we hope it will be a quiet summer from a project perspective. Then, after Labor Day the potential exists that we will complete some renovations to the driving range landing areas to correct existing drainage issues. In between there will be plenty of time for all of you to just enjoy the Club!

Until next month, we will see you around the Club,

Bill Robinson
Winter Fun at the Woodlands Club

Woodlands Members don’t let a little (a lot) of snow stop them from enjoying the outdoors!

Be sure to utilize the course even when it isn’t green! We offer marked and groomed cross country ski trails. Snowshoeing is also permitted to the side of the ski trails. Trail maps are available at the front desk or in the fitness department.

Reminder, please leave your pooch at home when on course.
Thank you to our Grounds Crew for their diligent snow removal efforts! They've spent many frigid days and nights keeping the walkways and parking lot clear and safe for our members and staff.

Summer Camp Registrations
Thursday, March 5 Starting at 6:00AM
Brochures now available at the front desk

In an effort to make Sports Camp Registration more convenient for our members, you can now register for your desired sessions online from the comfort of your own home. No need to worry about bundling up, driving to the club and waiting in line to register your child for Summer Camps. Login to our website and register the same way you would for any Club event by clicking on the Camp Registration link on the homepage.

For questions regarding Summer Camps, please contact the following:

Ittie Bittie Kiddie Kamp: Age 4

Check out our Renovations!
Both members of the Woodlands staff and external contractors are working to complete the lobby and ballroom renovations. Thank you for all your hard work, the updates will be beautiful when finished!

Be sure to stop by and see them for yourself!
**Dining & Social**

**Featured Beer**

*Old Rasputin*
**Imperial Stout**
*Bottle*

TASTING NOTES: Produced in the tradition of 19th Century English brewers who supplied the court of Russia’s Catherine the Great, Old Rasputin seems to develop a cult following wherever it goes. It’s a rich, intense brew with big complex flavors and a warming finish.

*Moat Mountain Brewing Company*
**Matilda’s Red Rage**
**Irish Style Red Ale**
*Can*

TASTING NOTES: Initial flavors of caramel and toffee give way to a lightly roasted grain finish. It is copper in color, unfiltered for a full mouth feel and firmly bittered to balance the malt sweetness.

**Featured Wine**

*Michele Chiarlo*
**Barbera D’Asti Superiore Le Orme**

TASTING NOTES:
Color: ruby red with violet reflections
Bouquet: elegant, with good intense aromas of red fruits and cherries.
Taste: well-structured, ripe fruit, savory and inviting

**Friday Night Entertainment**

**Sports Camp Registration**

This year's Sports Camp Registration will occur on Thursday, March 5. This year, registrations will begin online through the Woodlands Club website. Our goal is to make things more convenient for our members. Sports Camp registration starts at 6:00 AM.

Please remember members are allowed two weeks max on the initial signup date. On March 27, members will be allowed to sign up for additional sessions. Starting March 6, members will be asked to sign up by contacting Damian by email ddow@thewoodlands.org

**Teen Tennis Strengthening**

March 3-April 27  
Tuesdays 3:30PM-4:00PM  
Cost: $60.00, 5 person minimum

This class ensures teen tennis players are strong from the inside out. It provides exercises to strengthen the core, shoulder, back and legs. With this foundation of exercises, these players will become less likely to get injured as well as be protected in their movement patterns. No class April 20. Instructor: Eric Hunnewell

**Golf Fitness**

March 3-May 19  
UPDATED: Tuesdays 5:00PM-5:45PM  
Cost: $95.00, 5 person minimum

It's time to get to work on improving your body for your golf game. Based on exercises that emphasize increasing range of motion, balance, posture, strength and endurance, this class will deliver a sound foundation of movement patterns to give you a jump start on your season. Instructor: Eric Hunnewell

**Evening QuickFit**

March 3-May 19  
UPDATED: Tuesdays 5:45PM-6:30PM  
Cost: $95.00, 5 person minimum

QuickFit is The Woodlands Club Fitness Center’s buzzword for improving fitness in a fun and quick manner. This class demonstrates the latest fitness conditioning moves along with sound weight and core training movements. Come on in and enjoy these conditioning, strengthening, and toning exercises. Instructor: Eric Hunnewell

**From the Director of Fitness**

Before we start believing Punxsutawney Phil Sowerby that there are only a few weeks of winter left, I think the first question we need to ask ourselves is does Punxsutawney, Pennsylvania, have any snow? Last time I checked it was New England that was getting snow. Well, on a positive note, MLB Pitchers and Catchers have reported to Spring Training and I am sure there is no snow where those major leaguers are getting ready for the summer show.

Even though we are buried under snow, I can’t help but to be excited for summer. Before you know it, we will be hurrying our kids off to summer camp, soaking up the sun on a day at the beach, enjoying family and friends at an outdoor BBQ or just simply balancing family, golf, sunshine and yard work. Thinking of these good things will help take your mind off the tons of white powder we have and may even prove to be more motivation for staying on with your workouts.

Welcome Eric Hunnewell: Please give a warm Woodlands Welcome to Eric Hunnewell. He will be joining our fitness team by helping to teach some classes on Tuesday afternoons and evenings. Beyond Eric’s terrific personality, he has a great knowledge base for fitness and highly dedicated in getting results. Please introduce yourself to Eric when you see him in here giving great workouts.

Yours in health,  
Damian

From the Director of Golf

While at the PGA show, I attended the Coaching and Teaching summit. There were several seminars on emotional mastery and the infinite power of the mind. I found these to be a fascinating part of the summit. Maybe you’ve heard of Lumiosity? THINQ Golf is golf’s version of similar neuroplasticity training. Visit their site at www.thinqgolf.com.

I met with the THINQ golf team while at the PGA Show. To an amazing extent, improving your golf game is about improving your mental game. THINQ Golf was designed to improve the mental aspects of your golf game by providing you access to golf-specific brain exercise video games, tips and insights from golf professionals and sports psychologists, and ongoing information and education.

Research shows that golfers perform best when they are able to achieve a refined state of mental balance. Even under extreme pressure, golfers trained to place themselves in a fine-tuned mental state are able to play better. THINQ Golf games are designed to help golfers at all levels get into that ‘zone’ of heightened mental calm and focus whenever they want to, no matter the distractions.

THINQ Golf games are an outgrowth of data collected from thousands of athletes over the last 25 years, combined with the breakthrough mental performance concepts identified by sports psychologist, Dr. Debbie Crews. They help you develop five key cognitive skills—Awareness, Attention, Synchronicity, Adaptability and Intention—while having fun.

Playing better golf is no accident...so give yourself a mental edge with THINQ Golf.

**Tennis Court Update**

In the 2014 annual Member Survey, we received a number of very similar comments from members concerned about the indoor tennis court surfaces. Specifically, assertions were made that the courts were past their useful life and desire was expressed to have some cushioning installed. In January, we asked a representative from Maine Tennis & Track to come in and discuss these issues. They are the local vendor we use for all of our tennis court related maintenance. In short, we learned that while manufacturers may indeed estimate a court surface life of 5-7 years, that primarily relates to outdoor courts. Our indoor courts are in a controlled environment and there is certainly no immediate need in the mind of the rep. We did get pricing on adding cushioning so that when the time comes, we will give it appropriate consideration.

Committee Briefs

Board of Governors:

January 28 Meeting: Nominating committee reported nominees for new board members. GM reported monthly financials are good. New members voted into Aquatics/Fitness, Clubhouse, HR and Tennis committees. Voted to transfer 2014 operating surplus to the Capital Fund. Annual survey results were discussed, as were management evaluations and incentive goals.

Aquatics and Fitness Committee:

February 5 Meeting: Fitness reported that Total Approach and Fit for Life programs have started. Snowshoeing proved to be successful. Ultra athlete in the works with informational meetings planned and program set to begin March 1. Discussions for new camp features. Consideration for indoor rowing. New Tuesday instructor hired. Equipment maintenance cards working well. Aquatics reported swim challenge going well. Adult swim classes registrations are higher, and children’s lower. Planning for new summer staff.

Clubhouse Committee:

February 10 Meeting: Committee reviewed comment cards, particularly the issue of hats in dining. They determined that as an athletic club, they see no reason to prohibit such apparel. Ballroom renovations are going smoothly, as is the main lobby. Future projects hope to include replacing the patio furniture with a low maintenance alternative. Considerations to improving family dining area.

Finance Committee:

February 16 Meeting: January minutes approved as written. GM lead brief discussion on January’s results, noting revenue misses in Aquatics and Fitness. 2014 operating surplus was transferred to the Capital Fund and the fund balance is in similar condition as this time last year. Meeting closed with discussion of timing of the annual and semi-annual dues billing. Committee asked GM to gather more data on the subject as well as discussed looking at alternatives by spreading other major billings that hit concurrently.

Golf Committee:

February 11 Meeting: Women’s Planning Committee meeting scheduled for March, and Men’s Tournament Committee to be planned. Handicap committee seeking volunteers. 2014 financials were good, golf schedule was distributed. Assistant Professional John Mullen was honorable mention for US Kids Top 50 Teachers. Motion in place for Hole-In-One insurance. Pride Campaign planning to begin.

Green Committee:

No meeting held in February.

HR Committee:

No meeting held in February.

Membership Committee:

February 3 meeting: The 2014 on-boarding process developed for all new members was well-received. Keeping new members engaged is very important. This year a member from the Membership Committee will also reach out to new members to welcome them to the Club and ask if everything is ok. Annual survey results will be shared with committee members in the next week. 2015 Social Events will be used again as in-house marketing for member recruitment.

Tennis Committee:

February 11 Meeting: Lengthy discussion regarding pickleball. Concerns for noise and conflict with tennis players, and seeking an appropriate time slot for the game. Research on court resurfacing unveiled that the court is in good condition due to the climate-control of the bubble and is in no immediate need of maintenance.
